

Leadership Development Programme

Interview Series

“Navigating through Uncertainties and Chaos”

The Interview Series was launched in June 2020. Three distinguished speakers, namely Mrs Laura Cha, Chairman of the Hong Kong Exchanges and Clearing Limited and Fellow of AoF, Professor Gabriel Leung, Dean of Medicine at The University of Hong Kong, and Mr Joseph Yam, Non-Official Member of the Executive Council and Fellow of AoF, had candid conversations with us on leadership issues, as well as how they saw and handled challenges. The three interviews were released on 24 June, 9 July and 27 July 2020, respectively. Please click [here](#) to watch the video clips of the interviews if you have not yet done so.

More information about the Leadership Development Programme can be found [here](#).

Leadership Development Programme

We look forward to meeting you virtually.

Hong Kong Institute for Monetary and Financial Research

Report on Fintech Adoption and Innovation in the Hong Kong Banking Industry

On 20 May 2020, the HKIMR released a report titled “*Fintech Adoption and Innovation in the Hong Kong Banking Industry*” as the first in a series of Applied Research reports on topics that are highly relevant to the financial industry and regulators in Hong Kong, and they provide insights on the long-term development strategy and direction of Hong Kong’s financial industry.

FINTECH

Adoption and Innovation
in the Hong Kong Banking Industry
May 2020

The report is based on an industry-wide survey carried out by the Hong Kong Monetary Authority (HKMA) Market Research Division, which aims to assess the current status of Fintech adoption in the Hong Kong banking industry and understand banks’ views on the prospects of Fintech developments in the next ten years.

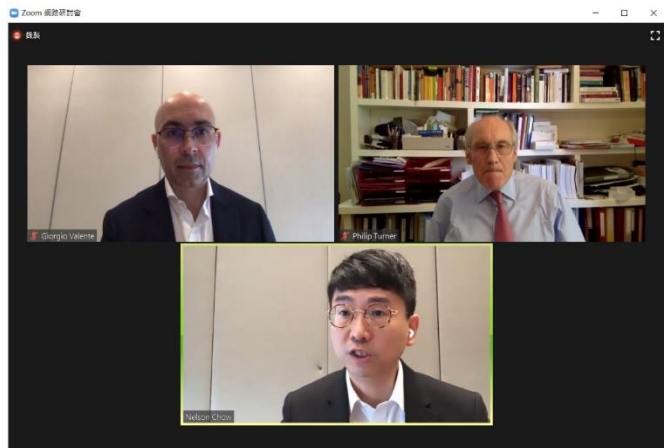

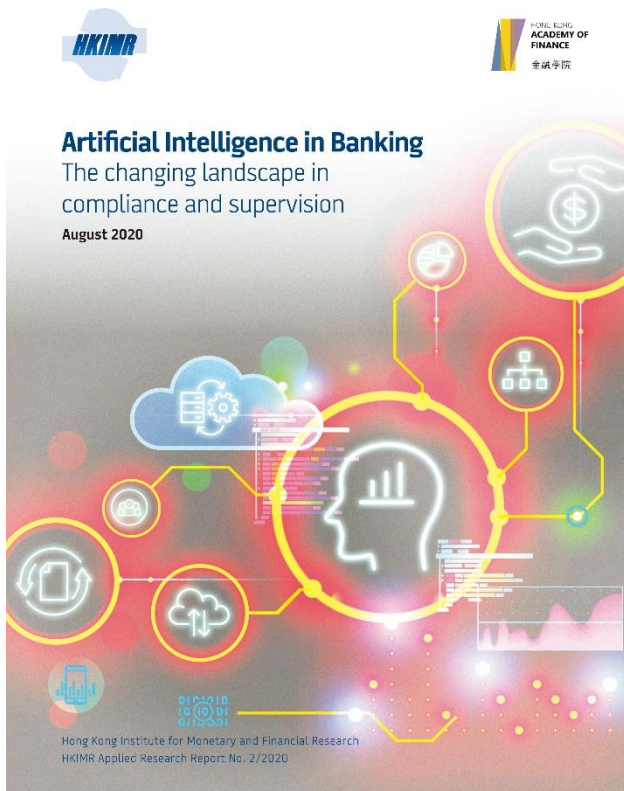

The full report can be viewed [here](#) .

Hong Kong Institute for Monetary and Financial Research

Report on Artificial Intelligence in Banking: The Changing Landscape in Compliance and Supervision

On 21 August 2020, the HKIMR released its second Applied Research report, titled “*Artificial Intelligence in Banking: The Changing Landscape in Compliance and Supervision*”. This report is part of a research project on the adoption of artificial intelligence (AI) in banking, carried out in collaboration with the HKMA and other collaborators. It aims to assess the current status of AI adoption in the Hong Kong banking industry and its implications for banking compliance and supervision. The full report can be viewed [here](#).

A webinar presenting the findings of the research report was held on 26 August 2020. It was presented by Dr. Philip Turner, University of Basel and former Deputy Head of the Monetary and Economic Department, Bank for International Settlements and Dr. Giorgio Valente, Head of the HKIMR, and was moderated by Mr. Nelson Chow, Chief Fintech Officer of the Fintech Facilitation Office, HKMA.
